Many children come home to an empty house while their parents are at work. It is important for those children to know that they have a place to go where people care for them. That is where the Boys & Girls Clubs of Las Vegas fills a vital role.

Their programs engage young people in activities with adults, peers, and family members that enable them to grow and flourish. Based on the interests and needs of the boys and girls they serve, clubs offer diverse program activities in five areas: character and leadership development, education and career development, the arts, sports, fitness and recreation, and health and life skills.

A survey conducted on the Boys & Girls Clubs determined that over half of the adults that participated in Club events as children attributed the Boys & Girls Clubs to saving their lives. Eighty percent said they learned right and wrong from a member of the Club staff.

While many Club alumni have achieved distinction in fields such as entertainment, business, politics, and sports, the average alumnus is not famous. Most have achieved success by getting an education, raising families, serving their country, pursuing careers, and supporting their communities.

The Boys & Girls Clubs of Las Vegas uses a lineup of tested and proven nationally recognized programs that address today's most pressing youth issues, teaching young people the skills they need to succeed in life.

Nearly a third of the Clubs' members who participate in the homework assistance and tutoring program are on their schools' honor rolls. Most importantly, those children have a safe place they can stay while their parents are at work.

As the Representative for Nevada's First Congressional District, it gives me immense pride to recognize the 50th anniversary of the Boys & Girls Clubs of Las Vegas.

HONORING DR. JERRY PREVO FOR 40 YEARS OF SERVICE

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES Thursday, September 22, 2011

Mr. YOUNG of Alaska. Mr. Speaker, I rise today to honor Dr. Jerry Prevo and the 40 years of service he has given to the Anchorage Baptist Temple community in Alaska where he is the pastor of one of the State's largest and most active churches. Sporting an auditorium able to seat over 2,000 people and a regular congregation of 2,200 it is difficult to imagine the church's very humble origins.

The church was founded as the Bible Baptist Church in 1956 by Missionary Don White who oversaw a congregation of 300 people until, in 1971, a young graduate of the Baptist Bible College in Springfield, Missouri, was called. In just a few short years under his careful and dutiful stewardship, Pastor Prevo saw attendance increase rapidly, until there was just no more room.

He needed to do something about it. In 1973 he proposed to move the church to their present location on Northern Lights Boulevard—a magnificent 20-acre estate. The community needed a church, the church needed the community. Answering the call, the new building was built, largely, by hundreds of

church members who freely volunteered their time and talents in an outstanding example of community-wide cooperation. It was then that the church was renamed Anchorage Baptist Temple.

Pastor Prevo, always committed to the education of future generations, saw the opportunity to found the Anchorage Christian Schools. Within just 5 years more classrooms and a gymnasium had to be built due to its massive popularity. Decades later the school and the Children's Ministry Center consists of 26 classrooms, a 300-seat gymnasium, library, music department, computer lab, and a chemistry lab over a 350,000 square feet complex—all built from the community's generous donations with no debt incurred. The Christian School now has over 750 students as well as a Sunday school, a preschool and all-day child care.

In the midst of running a school and a church the Pastor Prevo took the time to pursue a Doctor of Divinity degree at Hyles Anderson College and the Liberty Baptist Theological in 1978 and 1993, respectively. He expanded his community work to philanthropy by serving on the Board of Samaritan's Purse and on the Board of Liberty University in Virginia.

Today, through three radio stations, a contemporary Christian music station, and a television station he can be seen and heard daily by over half the population of Alaska.

On a personal note, Pastor Prevo has been there for me during some tough times. The loss of my wife, Lu, was sudden and painful and Pastor Prevo helped by offering the use of the Anchorage Baptist Temple and its ability to broadcast to a good portion of the State for her memorial service. In the two years since her passing I have come to rely on his spiritual leadership and guidance.

As a result of his far-reaching state-wide community work and success in reforming and growing one of Alaska's largest churches, and his extensive outreach in Europe and the Middle East, the Alaska Journal of Commerce has listed him as one of the 25 most influential individuals in Alaska.

Dr. Jerry Prevo has always worked hard and been nothing but loyal to his community and church and I commend him for his 40 years of service.

RECOGNIZING THE CITY OF ROSE-BUD ON ITS CENTENNIAL ANNI-VERSARY

HON. BLAINE LUETKEMEYER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES Thursday, September 22, 2011

Mr. LUETKEMEYER. Mr. Speaker, I rise today to recognize the city of Rosebud, located in Gasconade County in Missouri, as the community will be celebrating its centennial anniversary.

What is now the city of Rosebud was organized in 1911, receiving its name from the wild rose bushes that reside in the community. By 1911, Rosebud had expanded to considerable size because of the Rock Island Railroad, farming, clay mining, selling wood to kilns in St. Louis and many other industrious endeavors of the time. A number of citizens wished to have their village incorporated in Gas-

conade County, so they sent a letter to the County Court in Hermann. Within the year, the city received incorporation. Over the years, Rosebud's population, infrastructure and economic activity have increased.

Over the past century, industries such as antique and craft shops, restaurants, churches and thoroughfare from Highway 50 have supported the town. Today, Finale International Tool Inc. is the top employer in the community. The proud community of Rosebud is home to 378 residents.

In closing, I ask all my colleagues to join me in wishing the residents of the city of Rosebud congratulations on their centennial anniversary.

IN HONOR OF THE 50TH ANNIVER-SARY OF THE PEACE CORPS

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES Thursday, September 22, 2011

Mr. KUCINICH. Mr. Speaker, I rise today in honor of the 50th anniversary of the Peace Corps, an organization of volunteers who are dedicated to helping individuals build better lives for themselves by living and working in developing countries.

Following President John F. Kennedy's challenge to 5,000 students at the University of Michigan to dedicate two years of their lives to help people in developing countries, the Peace Corps was officially established on March 1, 1961. Young people throughout the country were inspired, and by June 22, 1961, Peace Corps Director Sargent Shriver had received 11,000 applications. On August 30, 1961, the first group of Peace Corps volunteers arrived to serve as teachers in Ghana. By December of 1961, more than 500 volunteers were working in nine countries around the world.

Today, 50 years after the Peace Corps began; there are more than 8,600 active volunteers and trainees working in 76 different countries. The mission of the Peace Corps that was adopted in 1961 still remains the organization's mission today. "Helping the people of interested countries in meeting their need for trained men and women. Helping promote a better understanding of Americans on the part of the peoples served. Helping promote a better understanding of other peoples on the part of Americans."
